The Honorable Judge I. Leo. Glasser

CR-97-1146 (ILG)

Dear Honorable Judge I Leo Glasser,

I come before this court asking that this court terminate defendant's Randy L Hutchinson supervised released. The defendant has been on supervised release for over two years out of the five-year term and has done very well and below the defendant will list the reasons this court shall take action to terminate the supervised release.

- 1) The defendant was sentenced to a twenty-year sentence and was released in May of 2017 when he had completed a total amount of nineteen years and three months. The defendant did not receive any relief under the new guidelines for crack cocaine.
- 2) Recently the new good time bill gave federal prisoners seven days that was not calculated by the bop defendant and he was not awarded the forty-seven days a year.
- 3) The defendant has maintained employment and has recently started his own consulting business in which he will speak with at risk kids. The defendant has always been a very good person and currently lives and gives back to the same community he was raised in.
- 4) If given the chance, the court can hear from the at-risk kids whom the defendant has mentored and passed on valuable life lessons to.
- 5) The defendant is already on low supervised release where he does not report at all.

I, Randy L Hutchinson, hereby certify that this is a true statement.
